## "Broaden Your Horizons"

**Based at Watchet, Somerset, charters available from any port/harbour within our general area of operation, longer passages outside these waters may be accommodated by prior arrangement, so why not broaden your horizons?**

Josefine, with her timeless environment and versatile rig, is well suited for team building: promoting communication and understanding that are vital in any organisation. Three to five day events are tailored to specific requirements, quoted to suit your itinerary. All prices include a Skipper/Crew, safety equipment, fuel, Port dues, food & drink (by prior arrangement). Josefine conforms to the M.C.A. codes of practice category 2, for up to 60 miles offshore.

**Local sail days for group charters - including artists days - specialist fishing or diving parties - sail training - corporate management team building - red letter days - hen parties - receptions - anniversaries - film productions - maritime festivals and with sensitivity the scattering of ashes and funerals at sea.**

Professional stills and filming facilities are integrated within the operation, available with any charter package. Josefine will accommodate up to 12 visitors for day sailing, and 6 people for overnight cruising. Josefine carries a skipper and crew although guests are welcome to help run the ship, by setting sails, navigating, or taking the helm.

Josefine was built by Anderson and Ferdinandsen in Denmark and first registered in 1931. Her first 40 years were spent ring seine fishing in the Baltic and North Sea, and she was often away for weeks at a time before returning to port with a live catch. In 1975 she was re-commissioned as a sail-training vessel, working out of the South Coast of England. Between 2000-2002 she was completely rebuilt and refitted on the South Coast, then relocated to Gibraltar. Charles Atkinson is the present custodian, owner and principal skipper of Josefine. Certified crew are drawn from a range of enthusiastic people from all over the UK.
